Craft Directions

Day 2

Day 2 ~ 4's & K

"Shhh...I'm Praying Door Hanger"

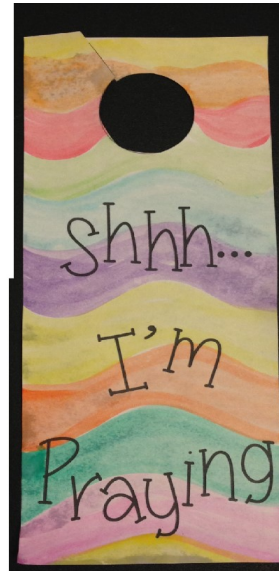

What you will need:

Wooden door hanger

Crayons or water color paints & brushes

Cup of water to rinse brushes between colors

Paper to cover surfaces

What you will do:

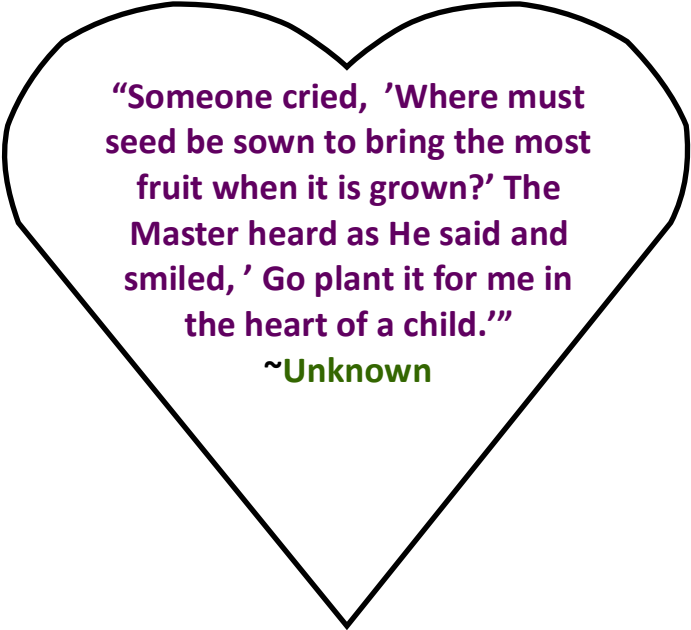

1. Use water color paints (recommended), markers or crayons to color your door hanger.
2. Since this craft isn't labor intensive to set up, this could be a good time to talk about prayer and pray for each child's individual requests.

Dear Kids,

We truly miss you so much. We think of the days that you came into Calvary and spent time with us, your Sunday School teachers, VBS teachers and in Kid's club. Singing and hearing the Word of God was so much fun! We hope you learn so much from VBS this week. Much about our loving Savior Jesus and about being a Christian.

In His Love,

The Children's Ministry Office

“Someone cried, ‘Where must seed be sown to bring the most fruit when it is grown?’ The Master heard as He said and smiled, ‘ Go plant it for me in the heart of a child.’”
