

Calvary Chapel of Philadelphia

2021-2022 Basketball Program Guide

1. Introduction

Calvary Chapel's basketball program is ministry designed to help children become disciples of Jesus Christ through the means of sports, with a secondary emphasis on teaching them the game of basketball. One of the unique distinctions of our league is a weekly team devotional where coaches and players meet to discuss what being a disciple of Jesus Christ looks like both on and off the court.

As a part of that purpose, our league allows players of all skill levels to participate and enjoy themselves. While we do keep score and standings, our priorities are honoring the Lord, having fun, and then enjoying healthy competition, in that order.

2. Team and league makeup

Six co-ed leagues are offered. These leagues are as follows:

- League A: Ages 4-5 (Elementary gym)
Playing time: Four 5-minute periods
Basket height: 6'
Basketball size: Mini ball

- League B: Ages 6-7 (Elementary gym)
Playing time: Six 4-minute periods
Basket height: 7 1/2'
Basketball size: 27.5 (Youth ball)

- League C: Ages 8- 9 (Elementary gym)
Playing time: Six 5-minute periods
Basketball height: 9'
Basketball size: 28.5 (Women's ball)

- League D: Ages 10-11 (High school gym)
Playing time: 17-minute halves
Basketball height: 10'
Basketball size: 28.5 (Women's ball)

- League E: Ages 12-14 (High school gym)
Playing time: 18-minute halves
Basketball height: 10'
Basketball size: Regulation size

- League F: Ages 15-18 (High school gym)
Playing time: 6-minute quarters, clock stops every whistle
Basketball height: 10'
Basketball size: Regulation size

3. Season Schedule

September-October: Registration on Sundays (or until league is filled)

November: League rosters are fixed and sent out

December: Practices on Saturdays

January-February: Weekly games on Saturdays

February (possibly also early March): Playoffs

4. Game details

There will be a running clock except for injuries and timeouts. During the last minute of each half, the clock will stop for every whistle. Each game provides two full 60-second timeouts, two 30-second timeouts, and two substitution timeouts per team, all of which can be carried over into overtime. The head coach or any player on the court (of the team in control of the ball) may call a timeout. NOTE: The F League will not be a running clock and will not have any substitution timeouts. Leagues A-C only have three timeouts.

Coaches and players should arrive at least 15 minutes before their scheduled game. All games will start on time if each team has five players in uniform. The home team bench in the elementary gym is the team nearest the sanctuary. The home team bench for the high school is closest to the concession stand. The home team wears white jerseys.

Each team is required to provide a scorekeeper (B League and up) and a player time keeper (D League and up). Game scoresheets and player timesheets will be provided. Games will start on time as listed on the schedules. There will be a 5-minute grace period for teams not having 5 players to start the game. After the grace period, the game will be forfeited. (A scrimmage game can be played for the remainder of the time allotted for the scheduled game.)

One 3-minute period is to be played for any regulation game that ends in a tie (high school gym only). One additional full timeout of 60 seconds is given to each team. If the score is still tied after this overtime, the game is over and listed in the results as a tie. Only in the playoffs will additional three-minute periods be played until there is a winner.

Players must come in full Calvary uniform in order to play. Away teams wearing blue should wear blue undershirts, and the home team wearing white should wear white/gray undershirts. Players cannot wear jewelry during practices/games, including earrings. Earrings cannot be taped, even if the child has just gotten their ears pierced. Players may not take drinks onto the court, even during a timeout.

5. Facilities

Our program works best when everyone is respectful of our facilities and of others who are using them. We ask that no child be left unattended while at Calvary. We do not allow recreational play in the hallways and ask that everyone leaves all personal basketballs at home. Courts are for scheduled players only, so no one is allowed to play on the basketball courts unless they are on one of the teams scheduled to play at that time. While in the stands, please be courteous of others. Do not walk in front of others during play and please clean up any trash around you. Your cooperation is appreciated.

6. Eligibility

Each player is required to register. These leagues are open not only to those presently attending Calvary Chapel, but also to anyone else that may want to participate. However, all players are required to participate in the team devotions that will take place each week. Devotions take place before or after each team's game

time slot at the coach's discretion and are considered part of the game. Players may NOT skip team devotions and attend the game portion only, as they are a critical aspect of the discipleship element of our basketball league. Any player who is unwilling to participate in team devotions, skips these times regularly, becomes a hindrance to the spiritual growth of his/her teammates, or does not act him/herself in a way appropriate for a Christian league will be asked not to sign up or to withdraw from the league.

7. Parents

All practices are held on Saturdays in December and are conducted at Calvary Chapel gymnasiums. Parents are to remain on the premises with their children during practices and games. Parents are not allowed to leave their children at the church unattended.

As parents are to be present with their children at the game, they retain responsibility for their children while at the game. Therefore, parents are also responsible for attending to their child once the child is removed from the court should an injury occur. However, Calvary and its volunteers reserve the right to have a child removed from a game if they feel the child has sustained an injury requiring medical attention or are otherwise unfit to play. Caution should be used at all times, especially if the child has an apparent head injury or signs and symptoms consistent with a concussion. A child will under no circumstances be allowed to play with a concussion or apparent concussion. Parents should not go on the court for any reason unless invited on by a ref/coach to attend to an injured child. Failure to comply may result in ejection.

8. Coaches

In order to coach a specific team, each person must be active in attendance at Calvary Chapel of Philadelphia. In addition, everyone must have on file a completed ministry application form. In compliance with Pennsylvania state law, volunteers must also have a completed Child Abuse History Clearance and State Criminal History background check (those living out of state must complete the FBI background check).

At no time will a coach drive a child who is not his/her own to or from practices and games. This applies whether or not they have a consent form from the other child's parents. If a coach has a practice or a game and there is only one child left to be picked up because a parent had an emergency or failed to comply with the safety rules stated above, the coach must request the next-to-last parent to stay with you until the other parent shows up.

No coach is allowed on the playing floor unless directed by an official. The first offense may result in a warning, but any additional violations will result in a technical foul.

Coaches are to report any serious injuries by filling out an injury report. A serious injury would include (but are not limited to) a head injury, broken or potentially broken bone, severe cut, or anything that requires a hospital visit. Injury reports will be available at each gym's score table and can be submitted alongside the scorecards. Injury reports should be filled out and signed by both the child's parent and the coach present when the injury occurs.

9. Cancellation of Games

Chris Clark will determine if games need to be cancelled. If a game is called due snow or another emergency, we will attempt to email you (provided you have supplied us with a good email address). We also will post any cancellation info (or lack of cancellation, if the weather is questionable) on our website at kids.ccp Philly.org/sports.

NOTE: Parents should write down their child's coach's phone number and/or e-mail address relative to any question they may have regarding the basketball league. They are the first point of contact for parents.

10. Player Participation

The Calvary Chapel League is a teaching league. Therefore, each and every player should play, as much as possible, an equal amount of time. Each team is required to assign a person who is the team's player time keeper to monitor players playing time (D League and up). The player's time begins when the official beckons him/her onto the court.

11. Fouls

Six team fouls are allowed for each half of the game. If there is a seventh foul during a half of a game, then a "one and one" occurs. On the tenth foul and those following, two foul shots are awarded. All technical fouls are counted as a team foul. Each technical foul is two shots, and the ball is given to the same team on the ensuing possession play. An intentional foul is a technical foul.

12. Referees

One of the most thankless jobs and yet one of the most important positions in the game is that of a referee. Please remember that this is not the NBA. All referees are servant volunteers who are also our brothers and sisters in Christ. Any display of offense toward a referee is unacceptable and will result in either a warning or a technical foul. Continued abuse will result in removal from the church premises with the possibility of being banned from all future basketball events. Coaches are expected to be proactive in making sure that their players and parents are compliant with respecting the officials.

13. Conduct

This league is for the children. It is intended that all involved display Christian attitudes in everything. Good conduct by players, parents, and coaches is mandatory at all times both inside and outside the gyms. If anyone becomes unruly, that person will be asked to leave the premises. Failure to comply will terminate the game and lead to the possibility of security being called upon to remove the unruly person from the church's premises.

Any player ejected from the game will receive a minimum one game suspension. If ejected for fighting, the instigator may receive an additional game suspension and possibly be suspended for the rest of the season. If ejected, the player cannot play the following week and is required to attend at least one game as a non-player to show support of his/her team before he or she can resume playing.

14. Rules of Play: A, B, and C Leagues (Blue Gym)

Our program in the blue gym includes special rules to help the players learn the game of basketball. These rules are designed so that players of all skill levels can learn and enjoy the game of basketball. While these rules are imperfect, we ask that coaches instruct their team to play according to the spirit of these rules rather than exploit them for their own team's benefit.

1. Skills and drills will be taught by the coaches each week for the 4-5s and the 6-7s. The length of time will vary based on the league but will last between 15-25 minutes. Players are required to attend the skills & drills in order to play during the game. Players cannot show up just for the game if they don't want to practice.

2. Games will be split into 6 periods (4 in the A league). All subbing will take place between periods, except in the case of an injury. Players should play an equal number of shifts except in the case of an injury. Because of sub breaks, there will only be three 30-second timeouts per team per game in the blue gym.
3. While a player is dribbling or holding the ball, the defensive player cannot steal the ball. Intercepting passes is not considered stealing.
4. Each player on the court will be wearing a different colored wrist band. Defenders are to cover the player with the same colored wristband as them. Defenders are not allowed to double-team an offensive player, but if an offensive player loses his/her defender, another defender can come in to help on defense.
5. When the defensive team gets a rebound, the offensive team is not allowed to try to steal the ball. Once clear possession has been established, the defense must drop back to their side of the court. The offense is not required to wait for the defense to get back. They may move to attack the basket as soon as they gain possession.
6. The offensive team shall be permitted to bring the ball to midcourt without any defender pressing the ball handler. While the ball is being brought up the court by the offensive team the defenders are to position themselves, both feet, within the 3-point arc. The offensive team has 10 seconds to cross half court.
 - a. In the A and B Leagues, after the offensive team has crossed half court, they have an additional 5 seconds to penetrate the 3-point arc. Defense must allow the offense to enter the arc.
 - b. In the C League, once the offensive team has crossed half court the defensive team can leave the 3-point arc and play defense. They do not have to wait for the offensive team to penetrate the 3-point arc. However, on an inbound play, defenders must remain within the 3-point arc and cannot contest an inbound outside the arc.
7. For the 6-7s and 8-9s, when there is less than 60 seconds left in final period, the clock will stop on change of possession. Once the dribbler crosses half court, the clock will resume.
8. There are no 3-point shots or foul shots in the blue gym. If a player is fouled while shooting, he/she is awarded 2 points (3 points if the basket goes in). The ball will then go to the other team.

15. Closely Guarded (League F ONLY)

PIAA rule 4.10, "Closely Guarded," will be enforced. Definition: "A closely guarded situation occurs when a player in control of the ball in his/her team's frontcourt is continuously guarded by any opponent who is within 6 feet of the player who is holding or dribbling the ball. A closely guarded count shall be terminated when the offensive player in control of the ball gets his/her head and shoulders past the defensive player."

Some points to note about this rule:

- A. A person in control of the ball who is closely guarded can actually retain possession for 12 seconds (hold the ball for 4, dribble for 4, hold the ball for another 4). Anytime the ref reaches a count of 5, it's a violation
- B. If the defenders switch, the count continues.
- C. Chasing is not guarding, no matter how close you are. If the defender is running behind the dribbler, the player is not "closely guarded."
- D. An example of 6 feet is the distance between the top of the key and the foul line or half of the center restraining circle
- E. During an "interrupted" dribble, (dribbler loses control of the ball because it bounces off his/her leg etc.), a closely guarded count does not start or stops if it was started.
